Why you need more than Duolingo

CIPLE and other citizenship exams require a minimum score in every section individually — not just overall. You can score well overall and still fail by being weak in one section. Prep2Go tracks your section-by-section readiness and warns you before you book — and waste €150 on an exam you aren't ready for.

The 25■% trap
Each section (Reading, Listening, Writing, Speaking) requires its own minimum score. Most candidates don't know this until they fail.

vs. the alternatives

Duolingo / Babbel	General language learning. No exam format. No readiness score.
Private tutor	€25–50/hr. Requires fixed schedule. No readiness tracking.
YouTube	No structure. No feedback. No score readiness.
Prep2Go	Exam-format only. Personalized. Section readiness. AI feedback. 20 min/day.
